

ABSTRACTS

All abstracts must be submitted as an e-mail attachment in MS Word format to ICOMSC@ue.poznan.pl not later than **28th February 2019**. The title of the document should be the corresponding author's name (Kowalska_abstract). One presenting author may contribute with a maximum of two posters and one oral presentation only. Authors indicate the topic area and whether they would prefer an oral or a poster presentation during the registration. The final decision will be made by the Scientific Committee.

Abstract style

The abstract should briefly describe the work to be discussed in the paper and give a concise summary of the findings.

The abstracts should be written in English, 1500 – 2000 characters without spaces, single spaced, Times New Roman, with margins 2.5 cm on all sides.

Abstracts shorter or exceeding required length will be rejected without assessment.

The title should appear first, in bold capitals, 14 points and centred. A single-line space should remain after the title. All authors should be listed, in bold, 14 points and centred.

The presenting author should be underlined. A single-line space should remain after author's names.

The authors' institutional affiliations, including department, institution, city and country should then follow, in italics, 12 points and centred. The corresponding author email should then be given. A double-line space should remain after authors' data.

Main text should be written in 12 points Times New Roman. A single-line space should remain after the text.

Keywords should be written in 10 points.

The abstract should not include diagrams, tables and references.
