

# Financial Accounting and Controlling Intern

## Role & team overview

The RTR Team is all about financial processes, controls, and internal controls. The team is focused on ensuring the accuracy, completeness, and transparency of financial statements reported for Commercial and Production entities from Western Europe within established timelines. We collaborate with various stakeholders, taking into account finance and business processes affecting financial data, often deploying an end-to-end perspective.

## What you'll be doing

- Supporting financial controllers in the financial month-end closing process
- Supporting the preparation of management reporting for local management
- Supporting the process in conducting financial reporting to the Group, assuring the correctness of transactional data in SAP

## We are looking for a colleagues who

- Enjoy international environment
- Have proficiency in MS Office
- Speak English communicatively
- Have a teamwork approach
- Are available for at least 20 hrs per week
- Have an understanding of accounting principles
- Study a field related to finance

## What you can expect

- 6 months of paid internship with a chance of extension
- Flexible working hours
- Working in a hybrid mode
- English as a main internal communication language
- Possibility to gain business knowledge and practical skills in international, diverse teams
- Amazing events, e.g. after work beer events
