

There are over 8 billion people on this planet. And by 2050, there will be 2 billion more... many moving into urban centers at an unprecedented rate. Making sure there is enough food, fiber and infrastructure for our rapidly growing world is what we're all about at John Deere. And it's why we're investing in our people and our technology like never before! Here the world's brightest minds are tackling the world's biggest challenges. If you believe one person can make the world a better place, we'll put you to work. RIGHT NOW.

Due to the development of John Deere Polska Business Service Center in Poznań we are currently seeking candidates for the position of:

Apprentice Digital Marketing

Poznań, Poland

Your responsibilities:

- Supporting Digital Marketing Team members in activities like maintaining YT channel,
- Adding documents to Highspot and DealerPath system,
- Managing John Deere websites,
- Supporting system migration process,
- If you are ambitious and want to learn more – other, more advanced activities in online marketing area.

Our requirements:

- You are a student min. 3rd year of study - preferred majors: digital marketing, online marketing but it is NOT a must.
- You know English well. Polish is not a must.
- You are fluent in MS Office programs.
- You are responsible and not afraid of challenges.
- You are result-oriented, proactive, and initiative-driven.
- You are not afraid of working independently, but at the same time you are able to cooperate with others.

What we offer:

- Paid internship in an international company.
- Modern and comfortable office area.
- Gaining experience in the digital marketing area.
- Possibility to match the internship with classes at the university.
- Friendly international working environment.

Take advantage and join a young, dynamic team and start your career today with John Deere Poland!
