

# 2025 Goldman Sachs Financing Group Summer Internship

At Goldman Sachs, we believe who you are makes you better at what you do. We seek out people with all types of skills, interests and experiences. Here, we turn ideas into reality for our clients and communities around the world.

The Financing Group originates and executes all financing initiatives within Goldman Sachs. Within a dynamic, market driven environment, teams work closely with corporate clients, pension funds, financial sponsors and governments to structure and execute some of the largest and most complex financing and risk management transactions.

Applications are now open for 2025 summer internship opportunities within Goldman Sachs Investment Banking – Financing Group, London.

Please apply by 15 September 2024 to the 2025 Investment Banking Summer Internship vacancy on the Goldman Sachs Careers Page.

## Please select the following:

Vacancy: 2025 | EMEA | London | Investment Banking, Financing Group | Summer Analyst

Program: Summer Analyst Location: London

## Financing Group Business Units

- Corporate Derivatives: Reduce exposure to macroeconomic risks and holistically optimize capital structures through customized hedging solutions, managing exposure to volatility in various macroeconomic factors, such as interest rates, foreign exchange, commodity, and credit spreads.
- Equity Capital Markets: Advise on, originate, structure and execute equity, equity-linked, and equity derivatives transactions and solutions, including initial public offerings, follow-on offerings, convertible bonds, private placements and derivatives.
- Investment Grade Capital Markets: Originate, structure, market and execute debt-related financings and provide capital structure advisory services, with guidance on credit ratings, optimal capital structure, liability management, and capital return.
- Leveraged Finance Capital Markets: Originate, structure, market and execute bank loans, high yield bonds, and bridge financing, including leveraged buyouts, M&A financings, refinancings, recapitalizations and restructurings.
- Real Estate Financing: Capital market execution, through loan syndications and securitizations, of both Goldman Sachs' originated loans and as placement agent for commercial real estate borrowers. Originate, structure, market and execute commercial real estate debt.
- Structured Finance: Optimize the financing of assets and cash flows through recourse and non-recourse financing structures. Originate, structure, market and execute highly structured transactions backed by a diverse set of assets, including domestic and international project finance assets, tech enabled lending platforms, diverse cash flows and others.
