

Intensive

English Course

16 - 27 SEPTEMBER 2024

POZNAŃ UNIVERSITY
OF ECONOMICS
AND BUSINESS

GOAL

The aim of Intensive English Course is to **improve the language level** of students coming to Poznań University of Economics and Business for exchange period. The course consists of **40 teaching hours** (4 teaching hours per day) and concentrates mainly on developing communication skills and business language knowledge.

Students will be divided into **groups** on the basis of the results of a language test taken at first day of classes. Number of participants in one group – around 10-14 students.

No ECTS points are given for the course.

Participants will receive **certificates of completion** after passing the course. The certificate will be awarded based on attendance checked by the teachers. You can miss **maximum 2 days** of classes to pass the course and obtain the certificate.

The fee for Intensive English Course is **110€**. The fee covers the language classes and some additional activities. Students have to cover accommodation and living costs on their own.

PROGRAMME

The University organizes additional activities for students during Intensive English Course.

Preliminary programme:

- information meeting on 17th of Sept.,
- Poznań QR City Game,
- Poznań Croissant Museum,
- Lech Poznań football stadium,
- Poznań Potato Museum,
- social activities organized by students from Erasmus Student Network,
- laser tag (additional payment required on the spot).

The programme and fee amount can **change** due to the number of participating students and assigned funds.

If you are interested in taking part in Intensive English Course please **register during the application period.**

Payment details will be sent to interested students in the **middle of July**. Language course can be cancelled if less than 30 students apply.
