

Communication No. 28/2023

of PUEB Rector

dated 5th November 2023

**announcing research grant competitions to be held at Poznań University of Economics and Business for: "PUEB FOR RESEARCH – faculty track" and "PUEB FOR RESEARCH – PUEB Doctoral School attendee track"**

I am pleased to announce the second edition of:

- 1) the **PUEB FOR RESEARCH – faculty track** competition for the teaching faculty of PUEB and
- 2) the **PUEB FOR RESEARCH – Doctoral School attendee track** competition for PUEB Doctoral School attendees.

Each grant will be awarded for a calendar year. The 2024 competition funds are:

- 1) PLN 25,000 for "UEP FOR RESEARCH – faculty track" and
- 2) PLN 15,000 for "UEP FOR RESEARCH – PUEB Doctoral School attendee track".

The competitions are an opportunity to receive funding for research and R&D projects that expand the scope of academic research in fields evaluated at PUEB by pursuing key areas of research that hold a promise of securing third-party financing and being published in highly-ranked journals of international reach indexed in such databases as Web of Science, Scopus, or those included in the current ABS list developed by the Chartered Association of Business Schools in accordance with Academic Journal Guide (AJG) recommendations. The journals are expected to cover a PUEB-evaluated research field and demonstrate integrity in the reviewing and publishing of research findings.

Please note these important competition dates:
