

## **Egala by Boekestijn**

Founded in 1994, Boekestijn has grown from a family business into a trusted name in European trucking, built on trust, care, and a continuous drive to improve.

Egala by Boekestijn is the next chapter of this journey — a dedicated brand focused on delivering **Unlimited Trucking Capacity**. Rooted in strong family values, Egala provides reliable, large-scale trucking solutions for customers, colleagues, and partners across Europe, while maintaining a people-oriented and sustainable approach to business.

### **JUNIOR QUALITY ASSURANCE SPECIALIST**

#### **The Role:**

As a Junior Quality Assurance Specialist, you will be responsible for maintaining quality standards and improving business processes. You will work closely with different teams and be actively involved in audits, certifications, and risk management in an international environment.

#### **Your responsibilities:**

- Maintain and develop the Quality Management System in line with company goals and external standards (ISO 9001, ISO 27001, CSRD, TAPA TSR, GDP).
- Create, review, and update quality documentation including policies, procedures, and work instructions.
- Follow up on non-conformities, identify root causes, and define corrective and preventive actions.
- Conduct internal audits and quality checks.
- Perform gap analyses and prepare the organization for certifications.
- Prepare and maintain risk assessments and mitigation plans.
- Prepare reports for internal and external stakeholders.
- Prepare for external audits and follow up on findings.

#### **Our requirements:**

- Higher professional education (or close to completion).
- Interest in quality assurance, business processes, and sustainability.
- Knowledge of ISO 9001, ISO 27001, CSRD, TAPA TSR, GDP.
- Knowledge of business process mapping.
- Good command of English (minimum B2).
- Analytical mindset with the ability to see the bigger picture.
- Proactive, structured, and people-oriented approach.
- Ability to work independently and take ownership of tasks.

#### **Optional:**

- Internal auditor certification for ISO standards.
- Experience with Lean / Six Sigma or change management.
- First experience in a quality, compliance, or process-oriented role.

#### **What we offer:**

- Stable employment in an international company with 2500 employees across Europe.
- Great Place To Work Poland certified company.
- Individual training programs and language courses.
- Friendly and supportive work atmosphere.

- Company events and employee celebrations.
- International teams and knowledge sharing.
- Private medical care and life insurance.
- Transportation to work from Rondo Rataje.
- My Benefit Program with flexible benefit options.
- Structured onboarding, buddy program, and welcome gift.
