

Logistic Intern

- Type of Contract: Internship
- Full/ Part time: 30 hours per week
- Location: Poznań

ABOUT US:

Bridgestone Americas, Inc. (BSAM), headquartered in Nashville, Tennessee, and Bridgestone Europe, Middle East and Africa (BSEMEA), headquartered in Brussels, Belgium, operate collectively as a “Bridgestone West” strategic region. This region services the strategic business needs of teams across the Americas, Europe, Middle East and Africa. BSAM and BSEMEA are subsidiaries of Bridgestone Corporation, globally headquartered in Japan. Bridgestone and its subsidiaries develop, manufacture and market a wide range of Bridgestone, Firestone and associate brand products and solutions to address the needs of a broad range of customers and industries.

Job Purpose

An internship at Bridgestone SSC Poznań is a unique opportunity to gain practical experience in transport planning and execution within an international supply chain environment. As a member of Transport Team you will support shipments organization and transport monitoring. You will learn modern tools and processes, and gain insights into daily transport operations. You will be entrusted with real tasks, receive support from the team, and have the chance to develop skills valued in the job market. **We are looking for Intern who will be available min 30 hours per week. Lenth of internship - until 31.12.2026**

As an Intern in the Transport department, you will be responsible for:

- Planning and monitoring shipments
- Preparing reports, dashboards, and process documentation
- Cooperating with local and external teams (warehouses, carriers)
- Supporting the improvement and documentation of logistics processes
- Participating in development projects and training sessions

Responsibilities:

- Handling logistics processes in accordance with quality standards, legal procedures, and customer requirements
- Collaborating with other teams and external partners to ensure efficient task execution

- Preparing operational reports
- Participating in training, workshops, and development projects
- Supporting documentation preparation
- Ensuring logistics processes and operating procedures are clearly defined, regularly updated, and fully documented
- Providing support to the Transport Team to maintain smooth and efficient operations

Qualifications & Experience Required

Availability

- Minimum 30 hours per week

Education, Master, other certification:

- Bachelor / Engineer (currently studying) in international trade or logistics

Experience:

- Previous internship in logistics is an advantage but not required

Technical Skills:

- Basic knowledge of Office 365 (especially Excel)

Languages Skills:

- Polish – perfect command, spoken and written
- English – basic or communicative

Soft/Behavioral Skills:

- Ability to work in a team & work under time pressure
- Good work organization
- Self-development and willingness to learn new things and adapt
- Basic analytical thinking skills

Why should you apply?

- We are passionate about our people and want to offer them the opportunity to develop and grow.
- Bridgestone as a global company drives your career to the next level by offering you possibilities to work in an international setting.
- You will have the opportunity to experience a dynamic and challenging environment and work on different and innovative projects.
- You will work in a healthy and safety environment, as safety is a key priority area in Bridgestone.
- We offer you attractive Benefits and a Competitive Salary

If you can demonstrate the skills we are looking for and would like to make a difference in a Pioneering company dedicated to shaping a sustainable future of real-world mobility solutions, join us at Bridgestone!

Process Next Steps: All applications will be reviewed. Our HR team will contact those applicants who we would like to invite for the next stage of the recruitment process.

Please don't hesitate and apply.
