

PRESENTATION GUIDELINES

1. A scientific presentation should be characterized by a concise presentation of information (description of the research conducted and the results obtained), in a simple, accessible and understandable form (both text and graphic).
2. Presentations should be prepared in **an electronic version, in .pptx format, in size 16:9** and sent to the conference e-mail address: igwt-icqmsc@konf.ue.poznan.pl
3. The title of the file should include the name of the presenting author followed by “_presentation” (e.g. Kowalska_presentation).
4. **Presentations must be sent by September 7th.**
5. Presentations should fit within the designated time (including short discussion):
 - **40 minutes** for Keynote Speakers,
 - **20 minutes** for Speakers.
