

There are over 8 billion people on this planet. And by 2050, there will be 2 billion more... many moving into urban centers at an unprecedented rate. Making sure there is enough food, fiber and infrastructure for our rapidly growing world is what we're all about at John Deere. And it's why we're investing in our people and our technology like never before! Here the world's brightest minds are tackling the world's biggest challenges. If you believe one person can make the world a better place, we'll put you to work. RIGHT NOW.

John Deere Bank S.A. is one of the European branches for John Deere Financial, along UK, Spain, Germany, and Luxembourg. The primary activity is providing financial services to customers and dealers who want to finance John Deere equipment.

In our financial department, you can expect an international team with a global presence in a highly collaborating network using benchmark processes and systems (e.g., SAP ERP) to support the business objectives. Our teams are working in an innovative environment where new ideas (e.g., artificial intelligence) and continuous process improvements are appreciated and promoted. We provide the best solutions and opportunities for our employees with high engagement toward creative thinkers with outstanding financial expertise.

Due to the development of John Deere Bank in Poznań, we are currently seeking candidates for the position of:

Portfolio Operations Apprentice

Poznań, Poland

Your responsibilities:

In your role as an Apprentice in Portfolio Operations team, you will be responsible for supporting Portfolio Operations Accountants in their daily tasks related to booking cashbooks in financial system, collecting financial data and preparing different financial documents.

In addition, you will:

- Support Portfolio Operations (accountants) team in operational tasks.
- Prepare and upload journal vouchers related to cash.
- Prepare financial data related to cash collections.
- Confirm intercompany cash balances.
- Prepare financial statistics files.

Our requirements:

- Student status – preferably in finance and accounting or related areas.
- Reliability, accuracy, and consistency in action.

- Availability to work ca 120h/month.
- Good time management skills.
- Strong communication skills.
- Ability to work independently and in a team.
- Proficiency in Microsoft Office (especially MS Excel).
- Very good knowledge of English.

What we offer:

- Paid internship in an international company.
- Possibility to combine the internship with classes at the university.
- Hybrid work model.
- Modern and comfortable office area at the Business Garden in Poznań.
- Gaining experience in the Accounting area.
- Free access to our e-learning platform – over 1000 courses.
- Friendly international working environment.

Please send an English version of your CV.
