Economics and Business**

Dear Rector Jankowska,

Dear Academic Community, Students, and Alumni,

On behalf of the State University of Trade and Economics and on my own personal behalf, I extend my most sincere congratulations to the Poznań University of Economics and Business on the momentous occasion of the 100th anniversary of its founding!

A century of dedicated effort, scientific discovery, and educational excellence has established your institution as one of the leading and most respected centers of economic education and research, not only in Poland but throughout Europe. Over the past hundred years, the University has traversed an extraordinary path of development, fostered renowned academic traditions, and educated generations of highly qualified specialists, business leaders, and public figures.

We deeply value the warm and friendly partnership between our institutions. Joint academic and research initiatives strengthen the ties between Ukraine and Poland, bringing together youth and scholars in pursuit of shared European values, progress, and innovation.

On this landmark occasion, we wholeheartedly wish the Poznań University of Economics and Business continued prosperity, further outstanding achievements, groundbreaking international projects, and endless forward momentum!

May the coming century bring your academic community new horizons, inspiration, peace, harmony, and the successful fulfillment of your most ambitious aspirations.

With deep respect,

Rector
