Luxembourg  
ESTAT.A.5/AB

**To whom it may concern**

**Subject: Participation in the work and meetings of the Expert Group on Statistical Disclosure Control**

This is to confirm the participation of Mr Tomasz Klimanek and Mr Tomasz Jozefowski in the work and meetings of the Expert Group on Statistical Disclosure Control.

The meetings of the Expert Group are held yearly.

Mr Tomasz Klimanek participated in the meetings of the Expert Group in the years 2019-2023.

Mr Tomasz Jozefowski participated in the meeting of the Expert Group in the year 2024.

It is to be noted that the format of the Expert Group on Statistical Disclosure Control changed in 2023. The formal, separate group ceased to exist and was replaced by the sub-group of the Working on Methodology. This administrative change had no impact on the scope of work and membership of the Group which brings together experts in the fields of Statistical Disclosure Control in the European Union countries.

Yours sincerely,

Albrecht WIRTHMANN  
Head of Unit
